

**Hello fellow Comrades!**

Here is an important note from the National Chaplain, Rev. Jim Jenkins, that came in my email today: April 1 is the deadline to submit to me the Chaplain from your state as a candidate for "National Chaplain of the Year" for 2019-2020.

Your candidate should be one of high moral character and goes above and beyond offering the prayers in the meetings.

The only way we can expect to receive public recognition on the National Level is to get more of you on board to nominate a worthy Chaplain. I know there are many Chaplains in our midst who are having a positive impact on their community on behalf of the VFW Post.

To date I have already received on nomination.

Jim Jenkins / National Chaplain
