Roles of the Chaplain

The role of the Chaplain is not limited to presenting Bibles at funerals, or reading of the ritual at meetings, It Goes much further than that. After having done 3099 funerals, I can tell you, that there are families still today That I am in contact with that seek me out for guidance and counseling. Over the past eight years I have Plugged myself into the Central Arkansas community, and I am a member of the VA Clergy Partnership, where I am a MC4 Counselor. I am a member of the Arkansas Foundation of Suicide Prevention, and work closely With other organizations to combat suicide. I advocate for veterans in need. We are by far the right hand of Our Commanders. This will be reflected in the upcoming November training.

Training

Training will be held at the Airport Holiday Inn NOV 1-2. Contact Christine for details.

Armor of God: Ephesians 6:1 [Slaves, obey your earthly masters with respect and fear, and with sincerity of heart, just as you would obey Christ. Obey them not only to win their favor when their eye is on you, but like slaves of Christ, doing the will of God from your heart.](#)
