

Happy April fellow Comrades!

Folks, as we endure this pandemic of the COVID-19 scare, there are three things you need to take to heart: 1) Stay safe, practice social distancing, and get to know your families again. 2) Trust our State Commander. He is also the Chairman of the State Coalition and will keep you well informed. Finally, 3) I am I State Certified Crisis Manager. I get updates daily from the CDC. Will or I will get you the info that matters, and we will not scare you as the media persists in doing to boost their ratings. The important thing is to stay safe. Practice good hygiene, which is something you should have been doing your entire life, and keep your distance. Semper Fi! Chappie!

Prayer of Thanks: Lets all take a moment to give thanks and remembrances to those who have sacrificed and paid the ultimate price for the freedoms that we enjoy everyday- Bless us oh Lord, these thy gifts, which are about to be received from Thy bounty. We give Thee thanks for all Thy benefits, O Mighty God, who lives and reigns the world without end. May the souls of the faithful departed, thru the mercy of God, rest in Peace. We pray in Your most precious and holy name.....Amen
