

There is a movement to encourage all to join for a minute of prayer at 8:00 PM Central time each day.

Stop what you are doing and join in from where you are at. If you believe there is power in prayer, please join in.

We have an almighty God Who is able to do above and beyond what we can even imagine.

Note the history behind this:

The silent minute

From Wikipedia, the free encyclopedia

“The Silent Minute was an historic movement begun in the United Kingdom by Major Wellesley Tudor Pole O.B.E. in 1940. It continues today as a London-based charity following its revival by Dorothy Forster. During the Second World War people would unite in meditation, prayer or focus (each according to their own belief) and consciously will for peace to prevail. This dedicated minute received the direct support of King George VI, Sir Winston Churchill and his Parliamentary Cabinet. It was also recognized by U.S. President Franklin D. Roosevelt and observed on land and at sea on the battlefields, in air raid shelters and in hospitals. With Churchill’s support, the BBC, on Sunday, November 10, 1940, began to play the bells of Big Ben on the radio as a signal for the Silent Minute to begin”

“An anecdote emphasizes the profound power of the group meditation of the Silent Minute. In 1945 a British intelligence officer was interrogating a high Nazi official. He asked him why he thought Germany lost the war. His reply was, “During the war, you had a secret weapon for which we could find no counter measure, which we did not understand, but it was very powerful. It was associated with the striking of the Big Ben each evening. I believe you called it the ‘Silent Minute.’”
